

# Mother

*Ying Chan*

Though the robin on a branch  
brings music to my ears,  
only mom can put a song in my heart  
when she dries away my tears.

Her beauty's like a satin rose,  
only it doesn't die away.  
This beauty comes from within her heart  
and renews her everyday.

Her life is like a rainbow,  
lighting up the sky.  
Only, the color that she brings  
reaches way beyond the eyes.

Her wisdom soars beyond the books  
whose words just say a trifle.  
such wisdom's worth more than a million words,  
when it comes from within God's counsel.

Her love is like the blazing star,  
lighting the midnight sky.  
When morning comes the glow is gone,  
only a mother's love will never die.

She's someone I hold close to my heart,  
who shines right through the crowd.  
My admiration and aspiration,  
she's the castle on the clouds.

To find the meaning of mother,  
I've only found the start,  
but I know she must be someone special——  
if her name can warm a million hearts.
