

MY NOW

leona Choy

God is in my now
this moment is His
and His this day.
So I must turn away
from yesterday
and not expect
to live in retrospect
looking over my shoulder
to see either ghosts
or savor a pleasant memory.

God is in my now
and all of daily life
is holy ground.
Each duty is crowned
as a royal moment
by the presence of The King.

My burning bush
is my present state
where God speaks to me
in the present gense
declaring, "I AM."
Because He lives
I celebrate Now!
And find my joy
in today.
