

# COLOR AND HARMONY

*Leona Choy*

GOD, in primal creation  
splashed every color  
hue, shade  
splendid spectrum  
throughout His world.  
The firmament shows  
His handiwork  
lavishly  
in infinite variety  
design and symmetry.  
MAN, as part of creation  
echoes  
mirrors and reflects  
his Creator  
in human creativity  
by taking brush  
chisel and pen  
instrument of music  
voice and body  
to express  
to the eye  
and the ear  
color and harmony.  
The Devil, aberration of creation,  
forever masquerading  
as an angel of light  
in reality thinks black  
expresses drab  
shrouds himself in darkness  
where no Pure Light shines  
to reveal creation's color.  
The devil knows how to play  
only one song:  
"I did it my way"  
and it is off-key!  
Only GOD paints in color  
and composes harmony.
