

Road of life

By Doreen Szeto

As we walk along this road of life
We come across so many things
And as we struggle through each day
We look to see what tomorrow brings
As questions whirl around our minds
And we can't take it anymore
We look inside ourselves to find
The answers that we're searching for
And when the path ahead divides
A moment of decision waits
And when all reason has been tried
Then we must choose which way to take
Sometimes we stray from the right way
And find ourselves lost and alone
And trying to correct our wrong
We realize how much we've grown
And down this winding curving road
There lies our destiny, unknown
We must forge on with hopes held high
And live the life that is our own
So as we take this road of life
There is no need for any fear
For as we take each step ahead
The future will become more clear
